## THE DIFFERENCE WITH AN INDEPENDENT

At Antonelli's, a family owned and operated establishment, we pride ourselves in serving the finest meals using the freshest ingredients always; some of which include extra virgin olive oil, freshly sliced meats, romaine lettuce for all of our salads, and Grande® cheese, the most expensive cheese in the market. In addition, we provide our customers with very generous portions, and offer the superior service that you may fail to receive when ordering from a chain. From our sauces, to pizza dough, to select dressings and desserts-all made from scratch; we offer an exceptional tasting home-made meal that's made away from home.

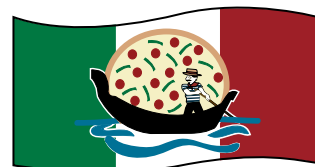

## A LITTLE BIT OF HISTORY...

Antonelli's, a family run establishment, opened its doors to Lorton in October 2007. Although only having served Lorton and its surrounding communities for fifteen years, the owners of Antonelli's have over 30 years of experience in the food serving industry.
